

2012 ASIA-PACIFIC MICROWAVE AND EMC EXHIBITION IN SINGAPORE

2012 Asia-Pacific Symposium on Electromagnetic Compatibility & Technical Exhibition on EMC RF/Microwave Measurement & Instrumentation

May 22-24, 2012
Resorts World Sentosa,
Singapore
www.apemc2012.org

The Microwave and EMC Exhibition has always been a major highlight, held in conjunction with the Asia-Pacific Symposium on Electromagnetic Compatibility (APEMC), which will be held in Singapore, May 21 – 24, 2012. This exhibition offers an excellent opportunity for all segments of the Microwave and Electromagnetic Compatibility (EMC) community to meet, providing an international gathering for everyone involved in technologies associated with RF, Microwave, Antenna, EMC Instrumentation and Analysis Software. The Microwave and EMC Exhibition typically represent the state-of-the-art when it comes to devices, components, and subsystems as well as design and simulation software and test and measurement equipment. The exhibition would also like to call upon participants from Microwave and EMC industry to join us on the exhibition floor to share with our audiences on the following:

- Antenna: Design and measurement
- Protecting devices and components
- Microwave, RF and EMC instrumentation
- Microwave, RF and EMC analysis software
- Services for Microwave and EMC scientists, researchers and professionals
- High frequency semiconductors

Attendees are interested in wireless communication, radar, RF technologies, high frequency semiconductors, electromagnetic, microwave and mm-wave electronics and applications. The attendees represents an international group of engineers, researchers, manufacturers and distributors from the Microwave and EMC industry, seeking to create partnerships, improves services, and seeking new opportunities for professional development.

So, be sure to be join us on the exhibition floor to experience the many vendors and learn recent advances within the Microwave and EMC industry.

Exhibition Talk

The Microwave and EMC Exhibition will provide an opportunity for exhibitors to showcase their services and products in an oral presentation on the exhibition floor. Each interested exhibitor will be allocated a twenty minute time slot in the Exhibition Talk area. This area will be equipped with an LCD projector, a PC, a table, and chairs for the audience. Please send a title and summary of your talk to the Exhibition Chair (Mark Tan, tanyc@ieee.org) before February 5, 2012.

Exhibition Venue

The Exhibition will take place in the Resorts World Sentosa, immediately accessible from the conference sessions. Strategically positioned exhibition stands ensure that delegates and speakers have every opportunity to visit you and your company's representatives during refreshments and lunch breaks. Traffic is guaranteed, as delegates will also have access to the exhibition before and after conference sessions in the morning and in the evening.

Key Benefits

- The opportunity to display your activities with banners, projections and printed materials
- The opportunity to provide instant hospitality and to enjoy relaxed discussions with delegates
- A meeting place where you can easily be found within the busy conference
- A 50 word write-up in the conference programme
- Your logo on the conference website with a link to yours

Standard Booth Package

- Standard booth construction: **9m² (3m x 3m) for only S\$5000**
- One table or counter and two standard chairs
- Power supply & lighting
- Fascia board with exhibitor name and booth number
- Complimentary conference registration for one delegate
- Listing as exhibitor in conference program and on conference website
- Electronic list of delegates' contacts
